

Lot 1/ Casterton-Edenhope Road, Chetwynd, VIC, 3312

TIMBER!

If you're looking for a heavily timbered property, then you've found it!

Not only is the property heavily timbered but it adjoins the Ganoo Ganoo Bushland Reserve creating a further natural buffer and enhancing the seclusion of the property.

The soil is sandy loam and the property would be an ideal weekend for a family wanting privacy but also enough space to enjoy their property. Would be great for motorbikes.

The closest significant towns are Edenhope to the north and Casterton to the south.
