

Lot 12A/ Redbank-Natte Yallock Road, Redbank, VIC, 3477

HOBBY FARMS!

Redbank is a small regional town north of Ballarat just beyond Avoca and close to the famous wine region of the Pyrenees Ranges.

This selection of hobby lots is the largest release in the Redbank district for some time.

All lots are gently undulating, majority cleared and have scattered trees.

Some lots also have nice dams and these properties represent an opportunity for someone looking for a weekender to secure their lots at very affordable prices.

The closest significant towns are Ballarat to the south east and St Arnaud to the north.
